Globally, Special Olympics reaches **over 4 million athletes** across **207 countries**, making it the world's largest inclusive sports organisation building pathways from grassroots to the global stage.

Our Purpose

Special Olympics Great Britain (GB) is a **non-profit organisation** and **registered charity** forming part of the global Special Olympics International Movement.

We provide year-round opportunities – **on and off the field of play** – inclusive of training and competition in summer and winter sports for people of **all abilities** with an intellectual or learning disability.

Together, with our passionate and inspirational clubs, programmes and partners, our Vision is to grow a strong organisation that will transform the lives of the 1.5 million people who live with intellectual disabilities in Great Britain through the **power of sport**.
